MEET THE GLOBAL SALES AGENTS

Noh-hyun Lim - South Korea

Head of Division, Global Certification Division - Institute of Global Sustainability Certificate(IGSC) Inc.

Noh-hyun Lim has an impressive background and brings a wealth of industry experience and high level tertiary qualifications to his role as Head of the Global Certification Division at IGSC, which is the exclusive sales agency for Global GreenTag International in the Republic of Korea, headquartered in Seoul.

Noh-hyun comes with deep experience working closely with manufacturers in the product certification/auditing field. He has been conducting third party product audits for over 12 years in total and prior to joining IGSC in 2019, was in charge of certification management as a second-party auditor at large companies for about 300 suppliers.

Today for IGSC, Noh-hyun is the Auditor for Organization Environment Footprint Certification and Product Environment Footprint Certification. He manages also IGSC's Sustainability certification programme.

Noh-hyun holds a Ph.D. of Science in Engineering (Major in Industrial and Systems Engineering)

from the University of Changwon, a Master of Science in Engineering (Major in Polymer Science and Engineering) from the University of Konkuk and a Bachelor of Science in Engineering (Major in Environmental and Chemical Engineering) from the University of Soongsil.

In addition, Noh-hyun holds multiple sustainable and environmental focused certification and auditing accreditations. He also has a number of published papers, including 'THE COMPARATIVE STUDY FOR CARBON FOOTPRINT OF REFRIGERATORS IN LIFE CYCLE' (Fresenius Environmental Bulletin/2021) and 'Analysis of Greenhouse Gas Emissions for Carbonated Soft Drinks Using LCA Methodology' (KSEE/2021).
