Your Product Passport to Green Building

Global GreenTag International Pty Ltd presents:

Global GreenTag^{Cert} ™ -Your 'One-Stop' Green Product Certification & Declaration Program Globally

Certification and rating tool evidence for 4000+ products on 400+ certificates from 22+ countries for over 100 companies under the award winning Global GreenTag^{CertTM} Certification Mark, PhD and EPD Programs.

Simplifying the selection of healthy and sustainable products for the green building, interiors and infrastructure sectors. Recognised by the International **WELL**™ Building Standard (40+ countries), **Green Star**® Australia, NZ and Africa (56+ countries), **EarthCheck**® (70+ Countries), Vietnam GBC's **LOTUS**® tool, **'IS'** (Infrastructure Sustainability, Australia & NZ) rating tool, the Malaysian Government's **MyHIJAU** labelling program, and Singapore's **Green Mark Int'l** and compliant with relevant **USGBC LEED** v4 Product Transparency and Optimization credits (167+ countries) and **BREEAM** Int'l **EPD** credits (78+countries).

Key programs offered include:

- **GreenTag LCARate™**
  Life Cycle Assessment (LCA) based sustainability rating system that awards Bronze, Silver, Gold or Platinum recognition with Product Scorecards (pictured), Type III Environmental Product Declarations (EPDs), CarbonRATE™ Tags and Product Health Declarations™ (GreenTag PhDs™) to suit the latest Green building rating schemes and major project needs.

- **GreenTag GreenRate™**
  Recognised by a variety of rating tools with Level A, B or C ratings enabling manufacturers to claim rating tool credits simply and effectively. GreenRate™ certification also allows generation of **GreenTag PhDs** and **HealthRATE™** Tags.

Products under Certification include: Laminex, Interface, Mohawk, Winstone Wallboards, Autex and other global brands including: Interface, Polyflor, Dunlop, Knauf, Armstrong, Desso, Tarkett, Vertilux, Verosol, BASF, DuPont, CSR, Boral-USG, Weathertex, Herman Miller, Schiavello, Kingspan, Tretford, Karndean, Gerflor, Porcelenosa Tiles, Woven Image, Instyle, Billi, Nora and many more ...

If you are a manufacturer or a green building professional who wants third party certification that supercharges the green marketing potential of a product's environmental, health and sustainability benefits while protecting and enhancing your business reputation...Global GreenTag is your answer, globally.

Global GreenTag International is a third party verified Conformance Assessment Body that complies, operates and continuously extends the boundaries of the Global GreenTag^{Cert} ™ system under strict International Standards including: ISO 14024, ISO 17065, ISO 9001 as well as peer reviewed 140040-44 LCA and ISO 14025 ISO 21930 and EN 15804 EPDs and remains the only sustainable building product related certification scheme standard approved in Australia by the ACCC. GreenTag is also registered as a Certification Mark in the USA, Canada and South Africa.
